First Street West to close for one day street project

[Duluth, MN] – The City of Duluth Street Maintenance crews will be closing off the section of West First Street, between 40th Ave West and 46th Ave West on Wednesday, July 27, 2011. The project is part of the City's Street Improvement Program to improve up to 100 miles of streets over 5 years. Crews will be capping the street and should finish the work in one day.

The street will be closed to thru traffic but businesses will still be accessible.
