Additional Snow Removal to Take Place March 11

[Duluth, MN] - The City of Duluth Maintenance Operations crews will be out conducting additional snow removal next Tuesday, March 11, 2014. Crews will work along 1st Street between 2:00 AM and 7:00 AM then focus on clearing Woodland Ave, 24th Ave East, 21st Ave East, and the remainder of 4th Street between 7:00 AM and 3:00 PM.

On March 12, 2014 snow removal will take place along Michigan Street from 2:00 AM to 7:00 AM with the possibility of returning to unfinished areas along 21st Ave East after the morning rush hour. On March 13, 2014, crews will be working around the hospital districts from 2:00 AM to 7:00 AM and then shift attention to 9TH Street after 7:00 AM. Progress is dependent on good weather conditions.

The City thanks the public for their patience and cooperation. Heavy equipment will be in use thereby reducing street access in the specified areas. Residents are also asked to abide by no parking signs to avoid ticketing.
