SUBJECT: Woodland Ave and Kent Road Intersection to Close July 21 from 5-6 AM

BY: Pakou Ly, Public Information Coordinator

Woodland Ave and Kent Road Intersection to Close July 21 from 5-6 AM

[Duluth, MN] - The City of Duluth Public Works and Utilities department is informing the public about a temporary closure at Woodland Ave and Kent Road for milling at the intersection. This is part of the ongoing concrete repair project taking place along Woodland Ave near 21st Ave East. Heavy equipment will be on site from 5:00 AM till 6:00 AM and will need to close off the intersection to mill the road. Crews should finish well before the start of the morning rush hour. Paving will take place at a later date.

Motorists are encouraged to use alternative routes off of Woodland Ave such as West College Street to connect to 19th Ave East or take East Clover Street to connect to Irving Place and down to 4th Street.

The City thanks the public for their patience.
