**City to Evaluate Storm Recovery Needs**

[Duluth, MN] The City of Duluth is asking for those that need storm cleanup assistance to call 2-1-1 (cell phone users call 800-543-7709) or 218-730-HELP (4357). Volunteer assistance will be limited to those who lack financial or social support. The City wants to collect information to determine the overall need of the community to coordinate with volunteer groups.

The City is assessing the needs of the community, and will only be able to provide volunteer assistance if the capacity exists. The City encourages the public to report their specific needs.
