**BY: Kate Van Daele, Public Information Officer**

**Crews respond to a water main break in Piedmont Heights neighborhood**

[Duluth, MN] Early this morning, City of Duluth Utility Operation crews responded to a report of a water main break located at 2851 Morris Thomas Road. Water has been shut off so that crews can begin to fix the break. It is not known at this time how long it will take to fix the break. Crews are working as quickly as possible to restore water to those in the affected area.

Drivers are asked to give crews the space that they need to work safely. Please do not crowd the driving lane, and be cautious of teams working in the street.
