SUBJECT: City crews responding to a water main break and service leak in West Duluth and on Park Point

BY: Kate Van Daele, Public Information Officer

City crews responding to a water main break and service leak in West Duluth and on Park Point

[Duluth, MN] The City of Duluth is responding to a water main break, and a water service leak in West Duluth and on Park Point respectively. The water main break is located at 71st Avenue West and Redruth Street. The water is currently shut off on Redruth Street from South 71st Avenue West to the end of the dead end when traveling West on Redruth.

The service leak is located on the 2400 block of Minnesota Avenue. This will be repaired tomorrow morning at 8:00 a.m. and water will be shut off on the 2400 block of Minnesota Avenue to accommodate the repair.

The duration of the repairs is unknown at this time. Crews are working to repair the breaks and restore water service as quickly as possible. It is unknown at this time how long it will take to fix both breaks.

A Northland Alert has been sent to those in the affected area. To see current utility outages, please view the Outage Map: <https://duluthmn.maps.arcgis.com/apps/Viewer/index.html?appid=7a03e4fdeb13451c89f4388105946a35>.
