City crews responding to multiple water main breaks in Morgan Park

[Duluth, MN] The City of Duluth operations crews are responding to multiple water main breaks in the Morgan Park neighborhood. The first break happened near 91st Avenue West before 8:30 a.m. this morning, February 1, 2022. This break put additional pressure on other pipes causing an additional break and water outages in an expanded area.

Water is off on the following streets right now;

- Falcon Street from 90th to 92nd Avenue West
- 91st Avenue West from Falcon Street to Grace Street
- 92nd Avenue West from Falcon Street to Grace Street
- 93rd Avenue West from Grace Street to Idaho Street

Crews are repairing the breaks and restoring water service as quickly as possible. City Staff are hopeful to have water restored to the area by this evening.

The City would like to thank those affected for their patience during this time.

A Northland Alert has been sent to those in the affected area.
