SUBJECT: Temporary road closure on Anderson Road begins June 16

BY: Kelli Latuska, Public Information Officer

Temporary road closure on Anderson Road begins June 16

[DULUTH, MN] The City of Duluth will close a portion of Anderson Road on Monday, June 16 to allow contractors to safely perform work to replace lead water service lines as a part of the City's ongoing efforts to remove lead from private water service lines. A detour will be signed and is expected to be in place until June 23. The detour route is described as follows:

- Westbound traffic: Anderson Road to Central Entrance (MN 194) > Central Entrance to Trinity Road (US 53) > Trinity Road to Anderson Road (end detour)
- Eastbound traffic: Anderson Road to Trinity Road (US 53) > Trinity Road to Central Entrance (MN 194) > Central Entrance to Anderson Road (end detour)

Drivers should consider alternate routes to their destinations during the week, as traffic may be delayed.

The detour can be viewed on the City of Duluth's road closure map:

<https://duluthmn.gov/engineering/maps/>.
