**SUBJECT: City Trails, Dog Park and Disc Golf Course Closed**

**BY: Amy Norris, Public Information Coordinator**

---

## **City of Duluth trails, dog park and disc golf course closed to public use**

The City of Duluth's Parks and Recreation Division is asking the public to refrain from using city hiking trails, snowmobile trails, cross country ski trails, the dog park and the disc golf course. Due to the annual spring thaw all these areas have become soft and are now vulnerable to being damaged with deep ruts and possible erosion.

The public can help prevent damage by staying off these areas until warmer temperatures and drier weather improve conditions. A notice regarding the reopening of the trails, dog park and disc golf course will be provided as soon as conditions permit.

Trails that are open to the public at this time are the Lakewalk, the Munger Trail and the Western Waterfront Trail. In addition, the far eastern part of Skyline Parkway near Hawks Ridge is also a good place to walk as well as the far western end of Skyline Parkway, west of Spirit Mountain. These portions of Skyline are still closed to vehicular traffic.
