**Repairs on Skyline Parkway, at Chester Bowl Park, to close west entrance until fall
(revised start date)**

[Duluth, MN] - The bridge and retaining wall repair work on East Skyline Parkway near the west entrance to Chester Bowl Park will commence on Tuesday, August 5, 2014 and not August 4 as previously reported. The public can still use the west entrance into the park on Monday, August 4. On August 5, the east entrance into the park along Skyline Parkway will be opened for public access and the western entry point into Chester Bowl will be closed off.

The City thanks the public for their patience during this project period.
