**Duluth Parks and Recreation to host open house to gather input about the Duluth Traverse Trailheads and Bike Playground on Wednesday, May 28**

[DULUTH, MN] The City of Duluth's Parks and Recreation division invites the public to an interactive open house event to share conceptual plans for two trailheads and a proposed bike playground Piedmont Trails and Lester Park.

The Lester Park and Piedmont Hutchinson Trailheads Interactive Open House will be held on Wednesday, May 28 at 6:00 PM in Duluth City Hall, Conference Room 330, located at 411 W First Street.

This open house will be a "drop-in" style event where you can wander through to learn more about the project, see conceptual plans for the two trailheads and the proposed bike playground at Lester Park, and provide feedback on the plans. Stakeholder input is imperative to these projects.

For those who cannot join the open house event but would like to share input, feedback can be given via the online survey by visiting [surveymonkey.com/r/DT-Trailheads-and-Bike-Playground](https://surveymonkey.com/r/DT-Trailheads-and-Bike-Playground). The survey will close on Sunday, June 1, 2025. The feedback gathered from the survey and open house will inform development of designs.

For more information about the project, please visit the project page on the Duluth Parks and Recreation website: <https://duluthmn.gov/parks/parks-planning/progress-in-the-parks/duluth-traverse-trailheads-and-bike-playground-skills-area/>.
