*Indicates wraps that may not yet be installed but will be installed by the end of summer 2024.

ABOUT THE PROGRAM

The Duluth Public Arts Commission's Utility Box Wrap Artwork Program is a vibrant initiative aimed at beautifying the city with a focus on geographic equity. Public art plays a crucial role in creating engaging and dynamic urban spaces, fostering community pride, and providing accessible cultural experiences. By transforming mundane utility boxes into canvases for local artists, the program spreads art throughout the city, ensuring that all neighborhoods benefit from this creative endeavor. These wrapped utility boxes not only enhance the visual appeal of the surroundings but also serve as a proactive measure to deter graffiti. By turning potential graffiti hotspots into celebrated works of art, the program helps maintain a cleaner, more attractive cityscape, promoting a sense of ownership and respect for public spaces.

DPAC MISSION STATEMENT

The Mission of the Duluth Public Arts Commission is to support public art as a community investment by preserving and promoting art in public places, and to support public art activities that benefit the citizens of Duluth; to encourage partnerships that further the awareness of beauty in our community and to support our city's environment through public art.

MORE ABOUT DPAC

duluthmn.gov/boards-commissions/duluth-public-arts-commission

The Duluth Public Arts Commission advocates for, promotes and participates in the selection and interpretation of public artwork and public arts events in Duluth, Minnesota. It also assists the city in the development and maintenance of an ongoing Municipal Arts Plan.
