

# City of Duluth Capital Plan

- 2024 2028 Capital Improvement Plan (CIP) Overview
- Property, Parks, and Libraries Projects
  - Facilities
  - Parks and Trails
- Public Works and Utilities Projects
- 2024 2026 Capital Equipment Plan (CEP)
  - Rolling Stock
  - IT
  - Non-Rolling Other
- Future of CIP

# What is a Capital Improvement?

- <u>Capital Improvements</u>: Expenditures related to the acquisition, expansion or rehabilitation of an element of the government's infrastructure (examples: facilities, roads, sewers, parks, gas lines,)
- <u>5 year plan</u>: identifies the most urgent needs in the coming year's budget and future capital needs with enough lead-time so decisions may be made to the City's best advantage.
- <u>Funding Sources</u>: Bonds (State, Utility, Revenue, G.O.) Federal Funds, Grants, ARPA, Street System Maintenance Levy, ½ & ½ tax, Parks Fund, State Funding etc.

# Capital Improvement Bond Eligible Facilities

• <u>Eligible Facilities</u>: City Hall, Libraries, Public Safety Facilities, Public Works Facilities (Minnesota Statutes 475.521)

• <u>5 year plan</u>: identifies the most urgent needs in the coming year's budget *and* future capital needs with enough lead-time so decisions may be made to the City's best advantage.

• General Obligation Bonds: 10 Year Reimbursable Bonds

# What is Capital Equipment?

- Two Types in the City:
  - 1.Rolling Stock has wheels
  - 2.Non-rolling stock does not have wheels
    - IT/Software
    - Public Safety Equipment
- <u>3 year plan</u>: identify equipment needs, determine financial impacts, prioritize requests, and develop a comprehensive financial plan.
- <u>Funding Sources:</u> Utilities, Street Lighting, Bonds

# Bond Eligible Capital Equipment

### • Capital Equipment:

- (1) public safety equipment... road construction and maintenance equipment, and other capital equipment; and
- (2) computer hardware and software, whether bundled with machinery or equipment or unbundled, together with application development services and training related to the use of the computer hardware or software.

Minnesota Statutes 412.301

- 3 year plan: identify equipment needs, determine financial impacts, prioritize requests, and develop a comprehensive financial plan.
- General Obligation Bonds: 5 Year Reimbursable Bonds

# Capital Planning and Bonding Process

**Develop Capital Plan June to November 2023** 

- Part of internal budget process
- Identifies projects, equipment and technology priorities
- Alignment with Priority Based Budgeting

City Council Review November 20, 2023

• Capital Plan is presented to Council during a Finance Committee meeting in the fall

Council Action
December, 2023

- Public hearings are held
- Resolution establishing bonding plan for coming year
- Resolution to approve list of 2024 capital equipment and intent to issue bonds to fund the capital equipment
- Resolution to approve 2024 capital improvement plan and intent to issue bonds to fund the capital improvement plan

Equipment Purchased
Improvements Completed
throughout 2024

• Council approves purchases for large equipment and improvements in accordance with the purchasing code

Bonds are Sold
October/November 2024

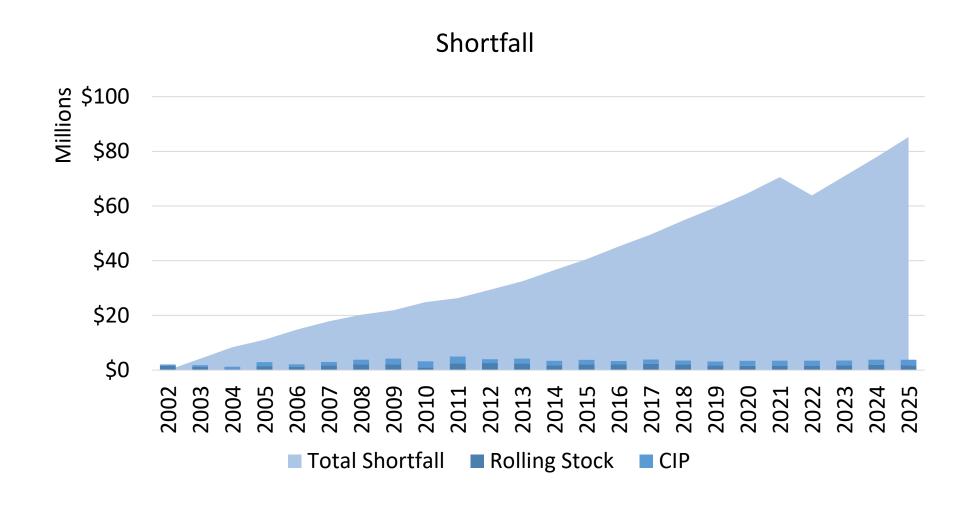

• Resolutions provide for the issuance, sale and delivery of bonds, and award the sale

# Capital Internal Prioritization Process

**SAFETY** • Safety of our staff and the public is our #1 priority • Regulatory compliance **COMPLIANCE**  Accessibility • Excessive downtime **INEFFICIENCIES** • Difficulty/Inability to obtain parts or materials • Beyond Useful Life Operational Energy **EFFICIENCIES** Integrity Functionality **GROWTH** Expand public services

# Why we increased the levy this year

# Historical Capital

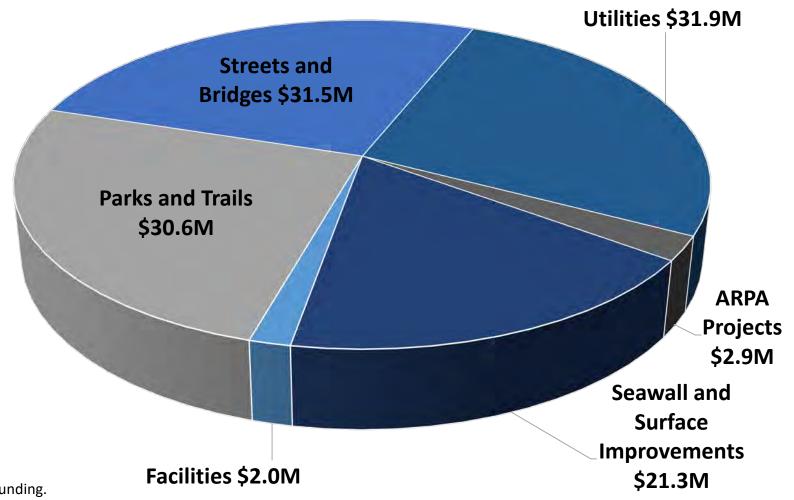

### **CEP Examples**

- Fire Truck Cost Over the 20 years (354% increase)
  - 2002: \$220K
  - 2011: \$850K
  - 2023: \$1M
- Police Cars (130% increase)
  - 2002: \$26K
  - 2011: \$30K
  - 2023: \$60K

### CIP Example

Construction Cost Index has increased 31% between 2020 – 2023 YTD

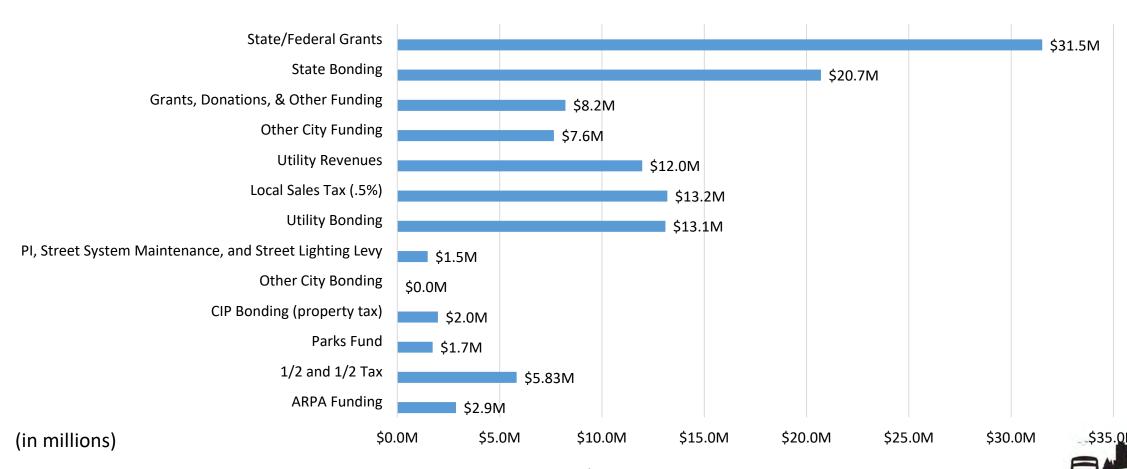

# 2024 Capital Improvement Plan \$120.2 Million by Category

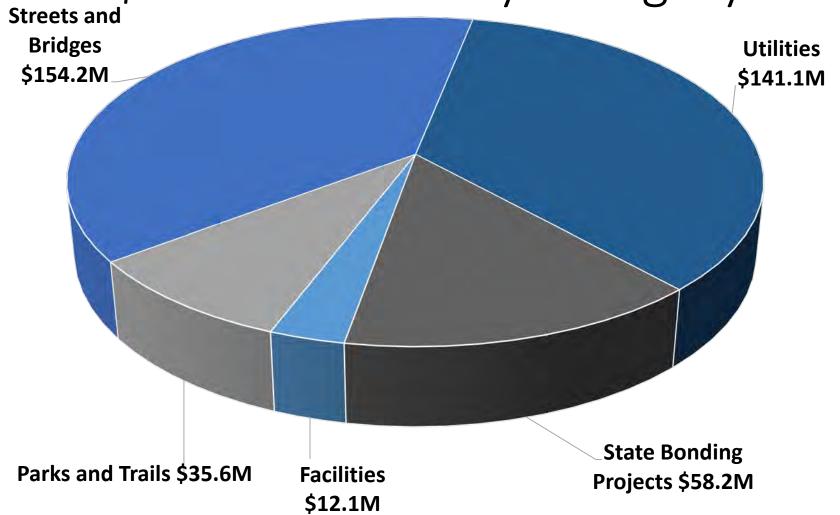

## 2024 Capital Improvement Plan

2024 Funding Sources as Follows:

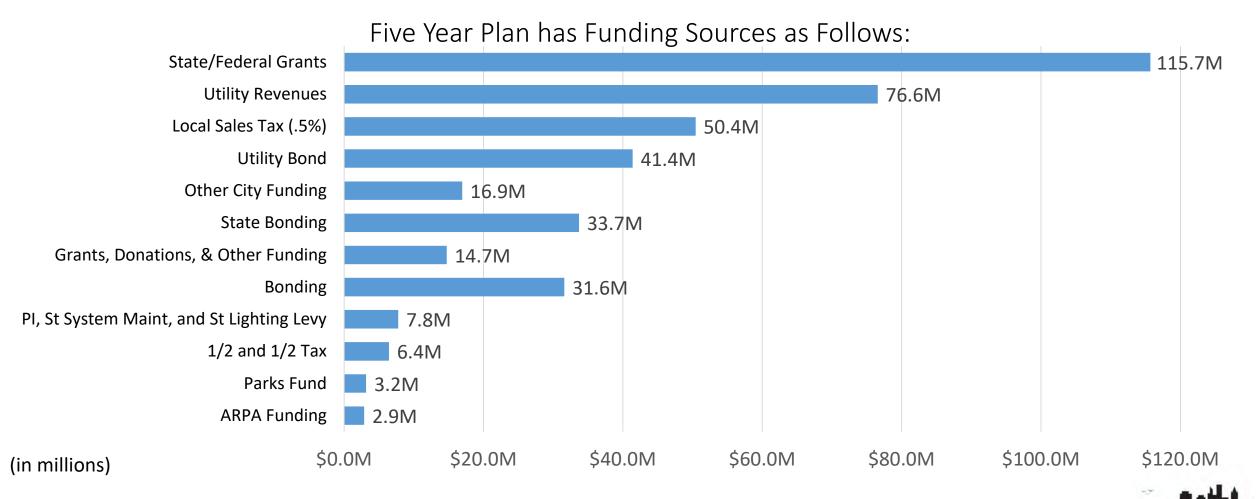

2024 Plan Total – \$120.2 Million

# Five Year Capital Improvement Plan \$401.3 Million by Category

## Five Year Capital Improvement Plan

### Facilities Capital Improvement Projects & Funding Sources

### Capital Planning Process for City Facilities

#### **Annual CIP Facility Condition Assessment Process**

 Staff-consultant team completed building-by-building facility condition assessment for all PFM managed buildings (all but PWU facilities), and works to update the asset management system each year to include work performed and evolving capital improvement plans

#### **Strategic Facility Planning**

 The PFM team is working to formulate and present strategies for adequately maintaining and updating City facilities through a combination of gradually increasing public investment, alternate funding sources, targeted demolition, facility consolidation, and renewal of critical facility assets

## 2024 Capital Facility Improvements

Total Number of CIP Buildings	27 of 148 buildings*	
Total Square Feet CIP Buildings	404,955**	
Investment by Square Foot	\$4.45	
CIP Eligible Buildings	\$730,000	
Public Safety Facilities	\$0	
Civic Buildings	\$1,250,000	
TOTAL CAPITAL IMPROVEMENT BONDS FOR ELIGIBLE CIP FACILITIES	\$1,980,000	

<sup>\*</sup>The remaining 121 City Facilities are comprised of Parks and Recreation buildings and site amenities, and Public Works & Utilities' facilities

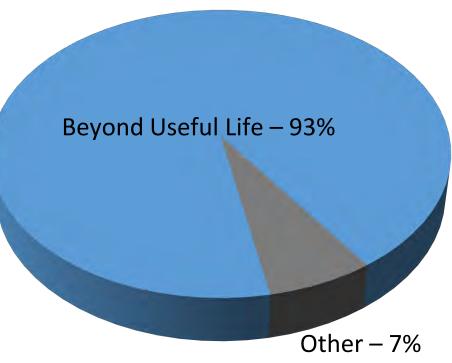

<sup>\*\*</sup>Total square footage for all City facilities is 1.2 million

### How CIP Investments are Targeted

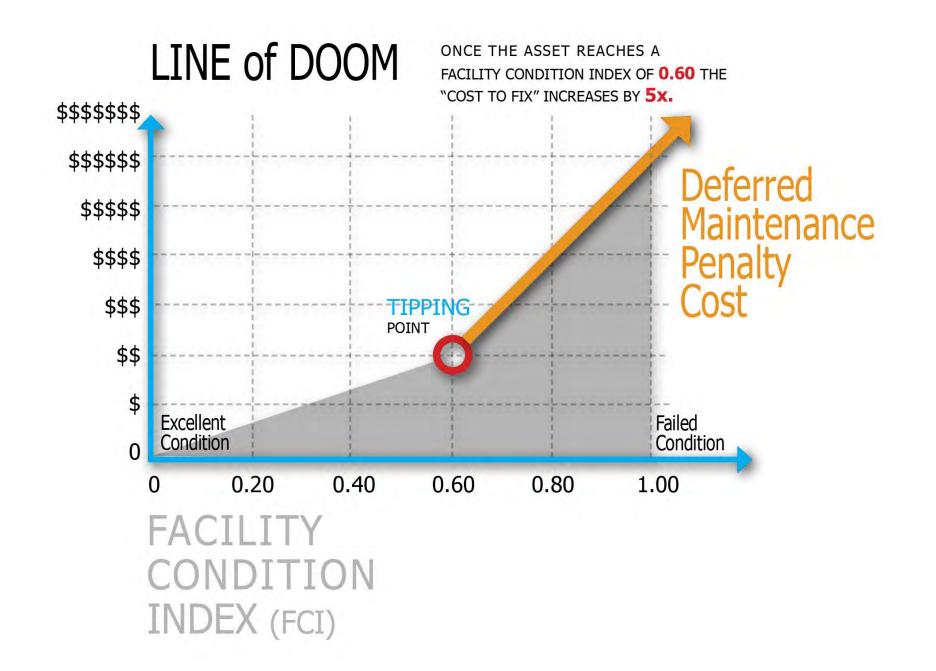

#### Other consists of:

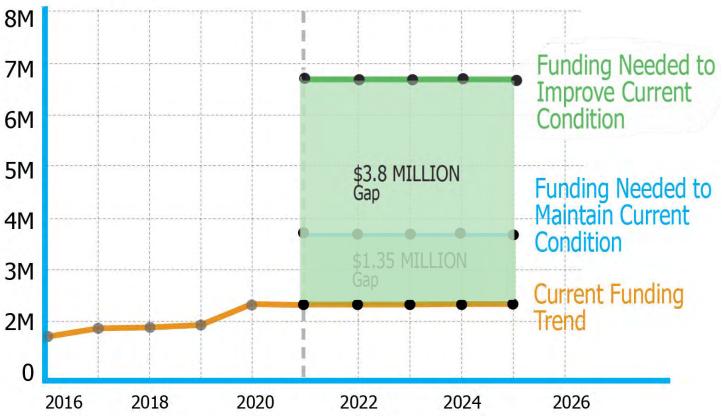

- Energy
- Integrity
- Accessibility
- Air & Water Quality
- Modernization
- Functionality
- Life Safety Security

### What is FCI?

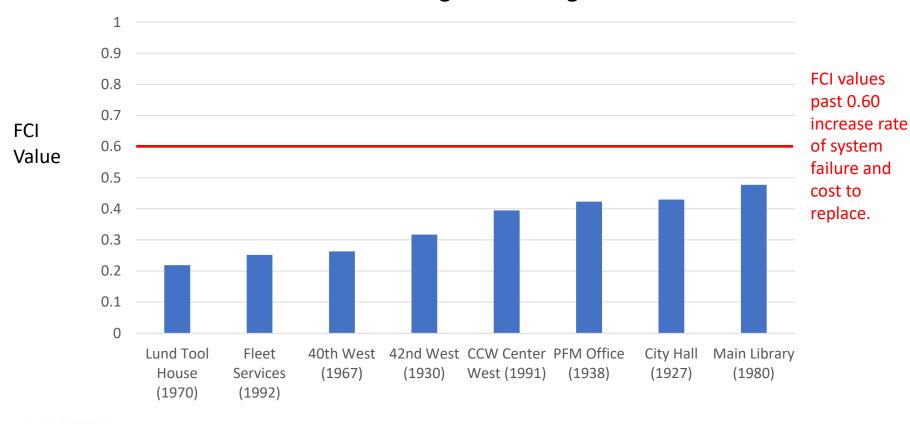

# FUNDING GAP

#### **FCI of CIP Eligible Buildings**

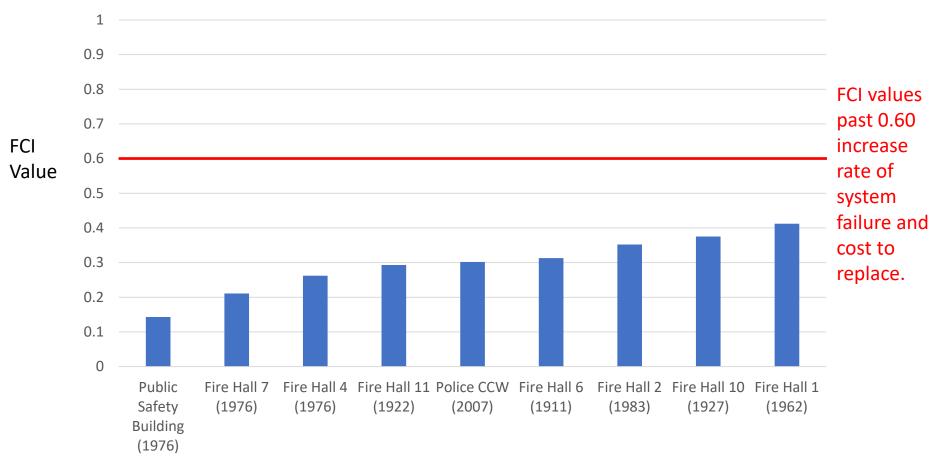

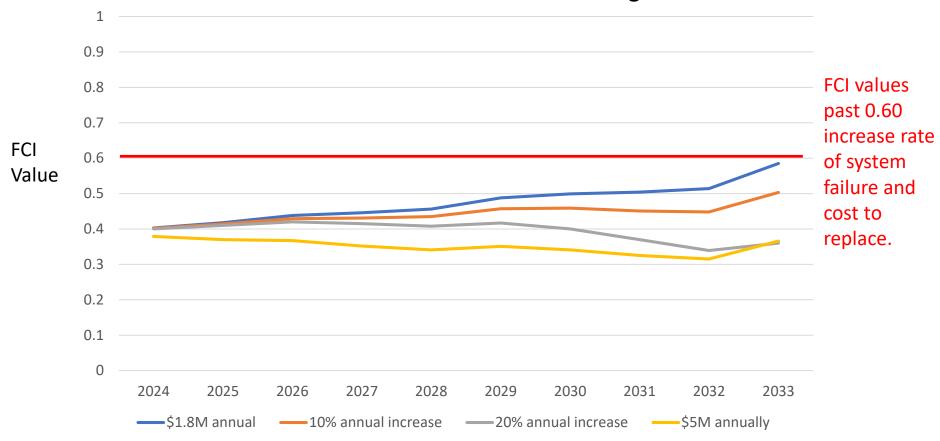

#### **FCI of Public Safety Buildings**

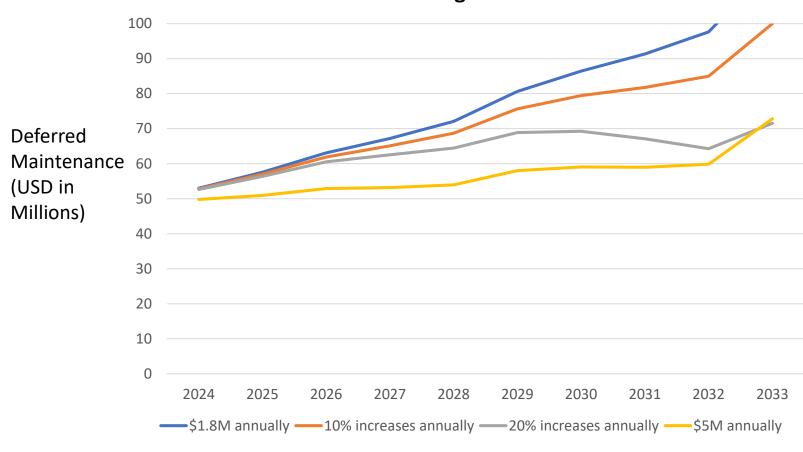

# CIP Facilities: Deferred Maintenance Backlog with Funding Plans

#### **CIP Facilities: Funding Plan Efficacy and Strategy**

- CIP Facilities will have a deferred maintenance backlog of over \$50M in 2024
  - This backlog accrues additional costs for increased system failures, with average annual penalty of \$50k \$100k
- Funding plans shown on graphs can keep pace with yearly system renewals,
   but cannot make progress in decreasing deferred maintenance backlog over 10 years
- Requires a strategy of spending CIP dollars on low-level asset renewals at end of lifecycle, while pursuing large capital investments with non-CIP funds to significantly reduce FCI values
  - City Hall HVAC (ARPA)
  - Duluth Public Library (State Bond and Federal)
  - Public Safety Building

## Project Detail – Capital Improvement Bond

Priority	Facility	CIP Project	Project Rationale	2024 CIP
Critical	City Wide, including Fire Halls	CIP Eligible Capital Maintenance Requirements – ADA, Security, Mechanical, Electrical, Envelope, Energy, Project Contingencies, etc.	End of Life Cycle, Function, Code, Asset Integrity, Life Safety, Accessibility, Energy	\$730,000
Critical	City Hall	Heating, Ventilation, and Air Conditioning Upgrades, Break Room, PPL/Planning Updates	Air Quality, Life Safety, Asset Integrity	\$1,250,000
			TOTAL	\$1,980,000

### City Hall HVAC Renewal

#### **Funding Sources**

- \$12 million from American Rescue Plan Act
- \$2.4 million from CIP allocations '22-'24

#### **Project Scope**

- Current HVAC system: steam radiators for perimeter heating, air handling units providing ventilation air to minimal areas, exhaust systems
- Replacement equipment: Dedicated Outside Air Supply units with Energy Recovery Ventilators; Variable Refrigerant Flow technology for space dehumidification and temperature control

#### Construction

- Demolition and installation work over halfway finished; anticipated completion of Summer 2024

#### **Benefits**

- Improved fresh air quality and distribution; control over building humidity levels for comfortable occupant working conditions and reduced interior maintenance needs; building controls regulate space usage and energy conservation

## Seawall & Surface Improvements State Bonding Project

Reconstruction of downtown Lakewalk shoreline to Beacon Point, DECC seawall, and adjoining Baywalk. Includes work on Brighton Beach shoreline.

STATE BONDING BILL: 56.3 For a grant to the city of Duluth to predesign, design, construct, furnish, and equip seawall and lakewalk infrastructure with related surface improvements, including a boardwalk and bike trails, public gathering spaces, and loading areas, along the shore of Lake Superior in the City of Duluth. This appropriation may also be used for demolition and removal of existing seawall and lakewalk structures. 56.4 56.5 56.6 56.7 56.8 56.9 56.10 56.11 56.12

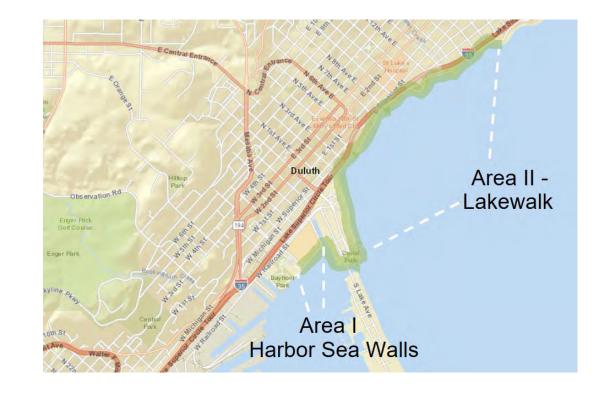

**Total Cost**: \$21,141,835

State Bonding: \$13,500,000

Federal Funding: \$4,938,067

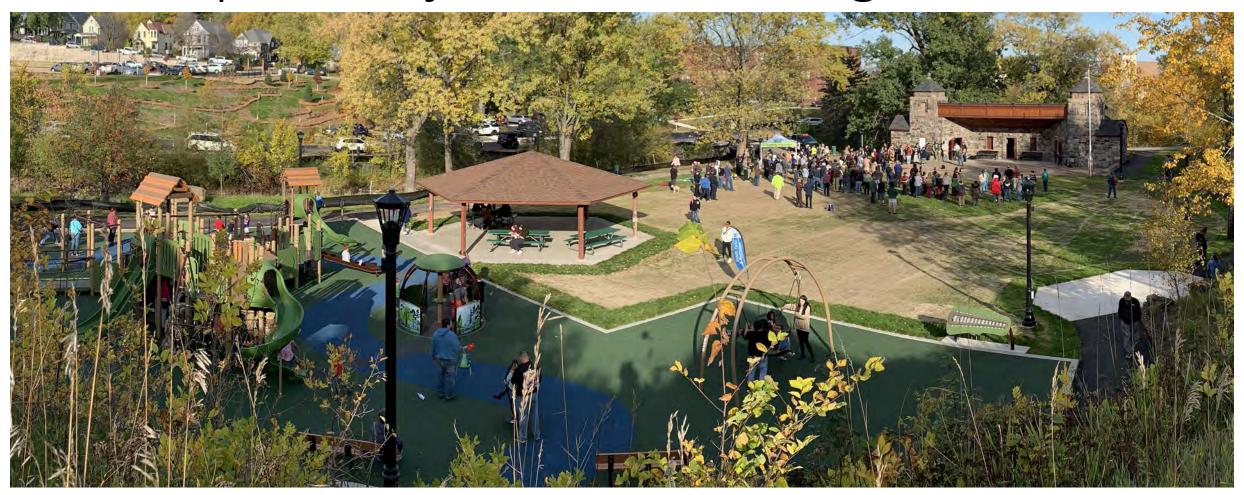

City bonding: \$2,703,768

**Total Funding**: \$21,141,835

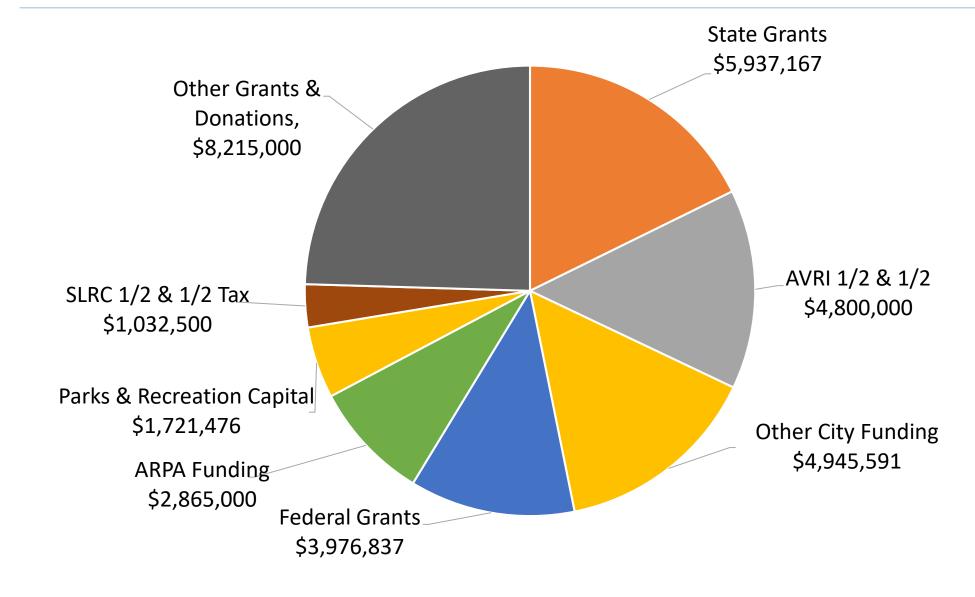

# 2024 Parks and Trails Capital Projects and Funding Sources

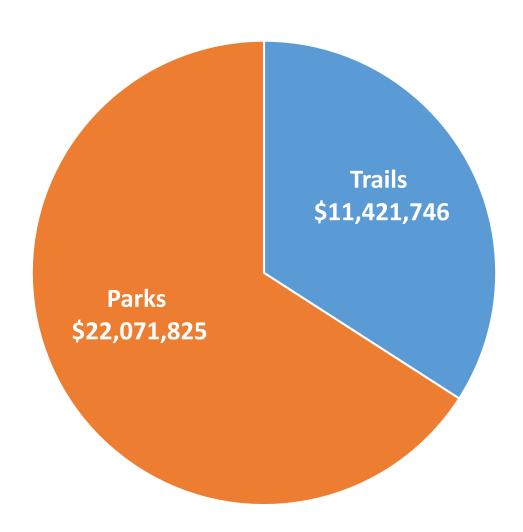

## 2024 Parks and Trails Funding Sources - \$33,493,571

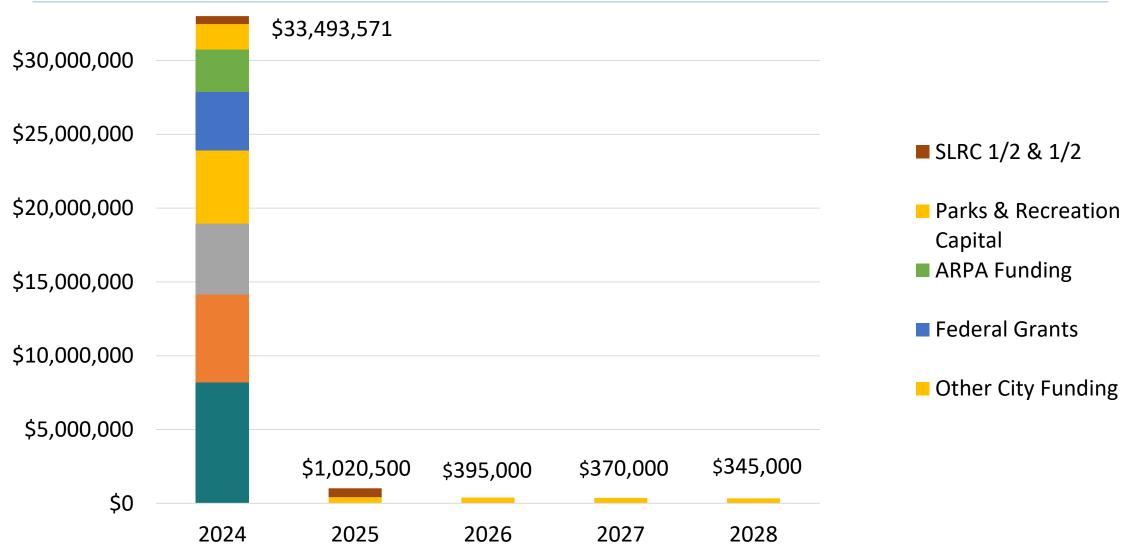

# 2024 Parks and Trails - \$33,493,571

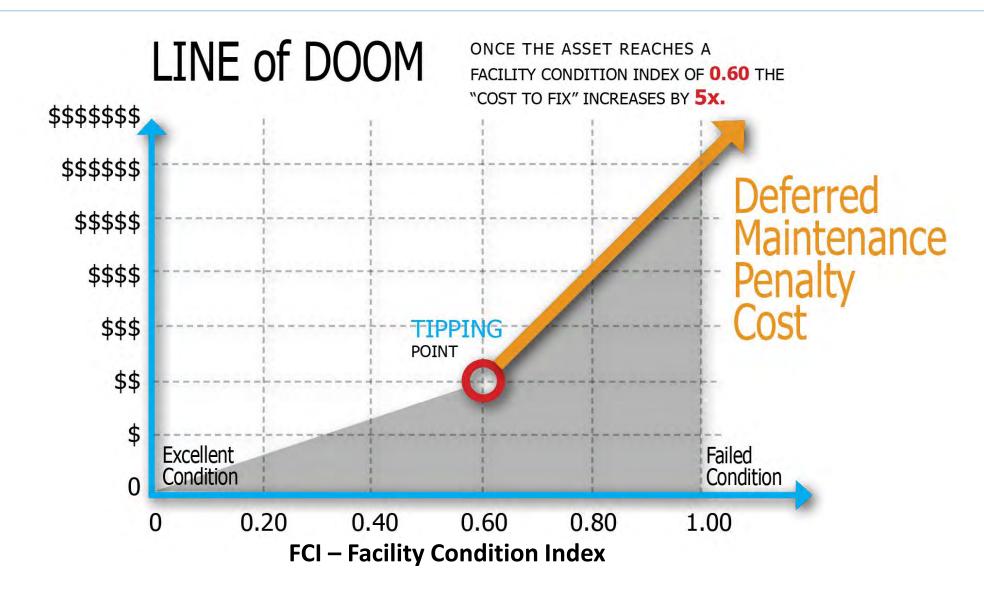

## 2024-2028 Parks and Trails Funding Sources

## Facility Condition Index

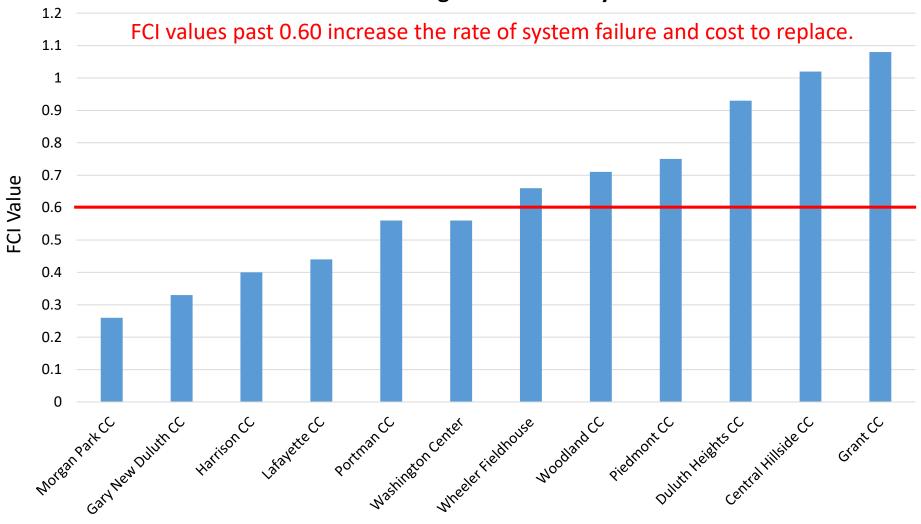

## Facility Conditions & Needs

## FCI of Main Buildings at Community Parks

A financially healthy
Minnesota city of similar
size would strive to
maintain an FCI value of 0.3
– 0.4. That is, have capital
improvement needs no
more than 30-40% of the
total replacement value of
a facility.

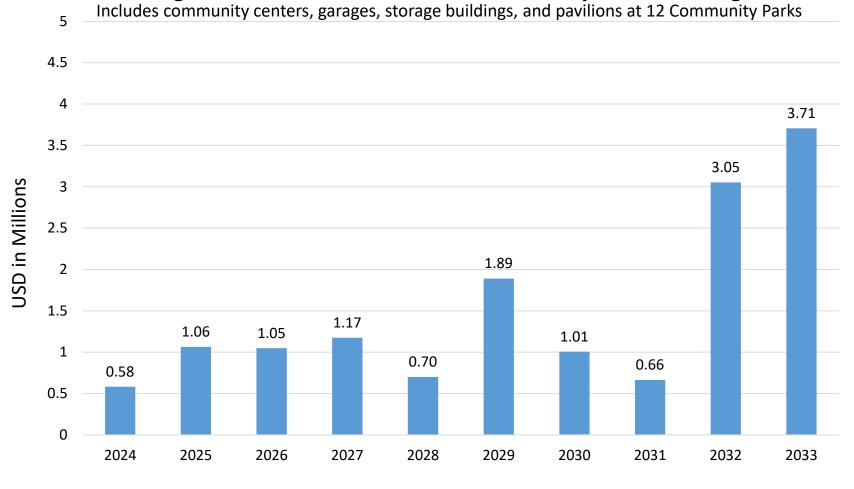

#### Facility Conditions & Needs

Funding Needed to Maintain FCI on Community Parks Buildings

For just this set of buildings, an investment of \$15 million is needed over the next 10 years to maintain an FCI that is hovering near a failed state.

- Central Hillside
- Duluth Heights
- Gary New Duluth
- Grant
- Harrison
- Lafayette
- Morgan Park
- Piedmont
- Portman
- Washington Center
- Wheeler Athletic Complex
- Woodland

Based on starting FCI of 0.586 in 2023

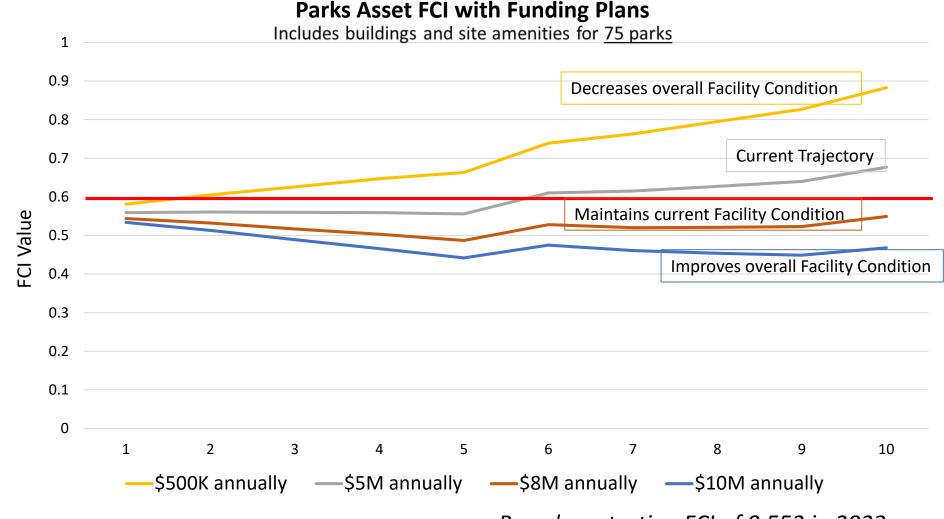

#### Facility Conditions & Needs

A base level investment of \$5 million\* annually is insufficient to maintain park facilities to the current FCI value overtime.

To generally maintain current FCI value, an additional \$3 million of annual capital investment is needed.

Conclusion: An investment of \$80 million over ten years is necessary to maintain the current FCI – which maintains, but does not necessarily improve, the assets.

### Examples of Facility Needs

#### **Cascade Park**

**FCI of 1.13** 

Failure of retaining walls leads to further exposure to elements and deterioration, unsafe conditions, and delays in site recovery.

#### **Old Main Park Arches**

No FCI value available

Walls requiring tuckpointing, loose bricks and debris, foundations decayed, large cracks, needs structural bracing

#### Case Study: Portman Community Center

#### **FCI of 0.56**

- Entire original roof structure should be replaced, but funding only covers a \$40k roof section repair that is leaking.
- This section is leaking water into interior building space that was recently renovated.
- Deferred roof maintenance causing deterioration to interior systems and inhibits useful function of building.

# 2024 Parks Budget - \$22,071,825

Total	\$ 22,071,825
Miscellaneous Parks Infrastructure - Citywide	2,529,410
Planning Processes: Lester Park GC, Memorial, & Park Point Rec. Area	285,000
Athletic Venue Reinvestment Initiative Planning & Pre-Design	400,000
Gary New Duluth Skate Park	550,000
Wade Stadium Repairs	1,200,000
Kitchi Gammi Park – Brighton Beach	1,651,000
Enger Golf Course Renovation	7,386,415
St. Louis River Natural Area Land Acquisition	3,750,000
St. Louis County Tax Forfeit Land Acquisition	\$ 4,320,000

#### Open Space Acquisition

Acquisition of \$8.07 million worth of tax forfeit property across 11 distinct districts.

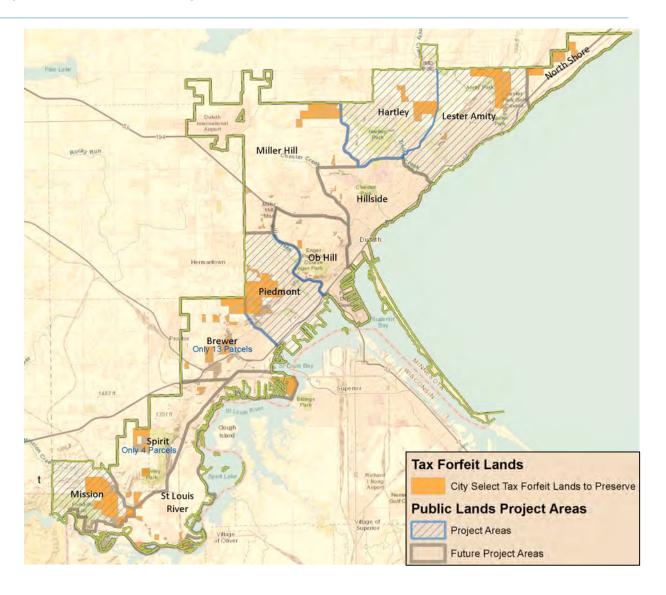

The first five areas of focus include: Lester/Amity, Hartley/Downer, Piedmont, the St. Louis Riverfront, and Mission Creek for permanent protection.

Total Funding: \$8,070,000

Other Grants/Donations/Funding: \$7,000,000

Federal EPA Grant: \$900,000

Parks & Recreation Capital Budget: \$170,000

## Enger Park Golf Course Renovation

Enger Golf Course renovation items include a new irrigation system, improvements to fairways, and bunker renovations.

Total funding: \$7,386,415

ARPA: \$2,500,000

Bonding: \$2,000,000

AVRI ½ & ½ Tax: \$1,700,000

Other City Funding: \$1,186,415

### Kitchi Gammi Park – Brighton Beach

Construction of new northeast entrance road and signage.

Total funding: \$1,651,000

Federal Grant: \$515,000

State Grant: \$286,000

Other City Funds: \$800,000

Parks & Recreation Capital Budget: \$50,000

### Wade Stadium Repairs

Address deferred maintenance on Wade Stadium building.

Total funding: \$1,200,000

**AVRI** ½ & ½ Tax: \$1,200,000

## Gary New Duluth Skate Park

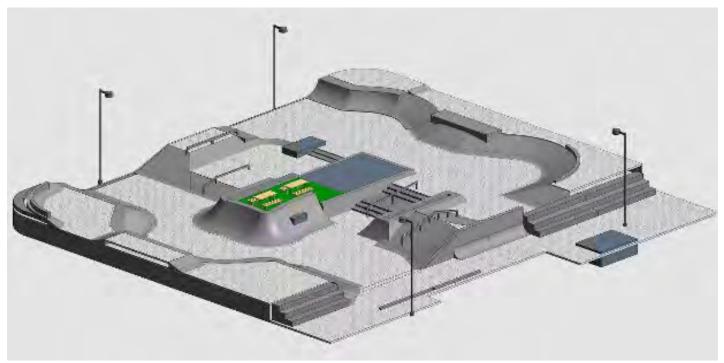

Complete next phase of skate park construction.

Total funding: \$550,000

**AVRI** ½ & ½ Tax: \$300,000

Other Grants & Donations: \$250,000

# Athletic Venue Reinvestment Initiative Planning & Pre-Design

Assessment to determine Citywide condition and repair or replacement needs of athletic facilities.

Total funding: \$400,000

AVRI ½ & ½ Tax: \$400,000

### Planning Processes

Conduct planning processes for the future use and/or improvement of three park spaces.

Total funding: \$285,000

Lester Park Golf Course: \$150,000

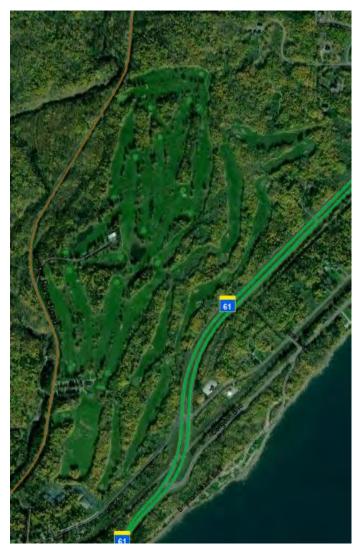

Parks Fund

Memorial Park: \$80,000

½ & ½ SLRC

Park Point Recreation Area: \$55,000

Parks Fund

#### Miscellaneous Park Projects

Total funding: \$2,529,410

Neighborhood Parks: \$1,197,350

Hillside Sport Court Park: \$897,350

Norton Park: \$100,000

Indian Point Campground: \$100,000

Park Point Beach House: \$100,000

Signage & Wayfinding: \$50,000

Sustainable Infrastructure: \$1,282,060

 Emergency Repairs & Studies (Cascade Park, Old Main Park, Leif Erikson Stage): \$430,000

Natural Resources: \$747,060

Other (Deferred Maintenance, Asset Mgmt, etc.): \$105,000

# 2024 Trails Budget - \$11,421,746

Total	\$ 11,421,746
Other Trail Improvements	50,000
Park Point Beach Access: Park Point Recreation Area	383,708
Park Point Beach Access: Lafayette Community Center	214,258
Snowmobile Trail	550,200
Cross City Trail-Irving Park to Greene Street/59th Ave W to 61st Ave W	1,577,750
Spirit Mountain Nordic Center	2,951,296
Waabizheshikana: The Marten Trail	\$ 5,694,534

#### Waabizheshikana: The Marten Trail Implementation

Completion of Segment 3. Design of Segment 1, Segment 2, and interpretive elements for 2024 construction.

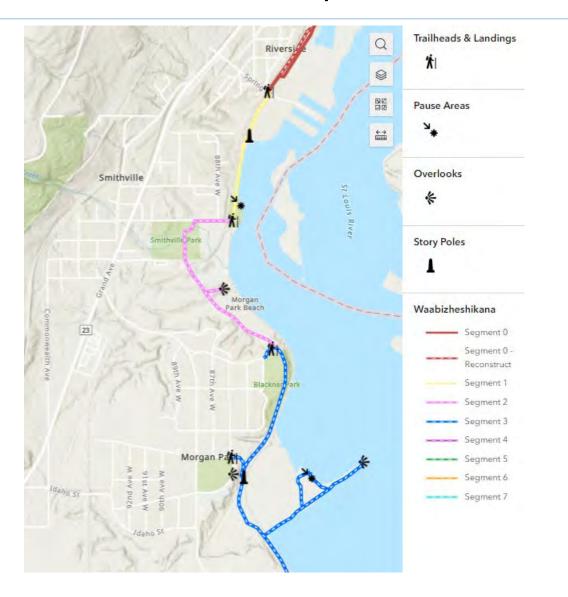

Total Funding: \$5,694,534

State Grants: \$3,498,534

Federal Grant: \$1,020,000

Other Grants: \$665,000

SLRC ½ & ½ Tax: \$511,000

#### Spirit Mountain Facilities

Expand the recreational facilities at Spirit Mountain by expanding the Duluth Traverse trail system and completing the Spirit Mountain Nordic Center trails.

Total Funding: \$2,951,296

AVRI ½ & ½ Tax: \$1,200,000

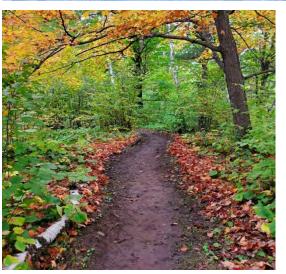

State Grant: \$1,113,471

Federal Grants: \$224,225

Other Grants/Donations/Funding: \$300,000

SLRC ½ & ½ Tax: \$113,600

#### 2024 Cross City Trail Construction

Construction of CCT between Irving Park and 61st Avenue West.

Total Funding: \$1,577,750

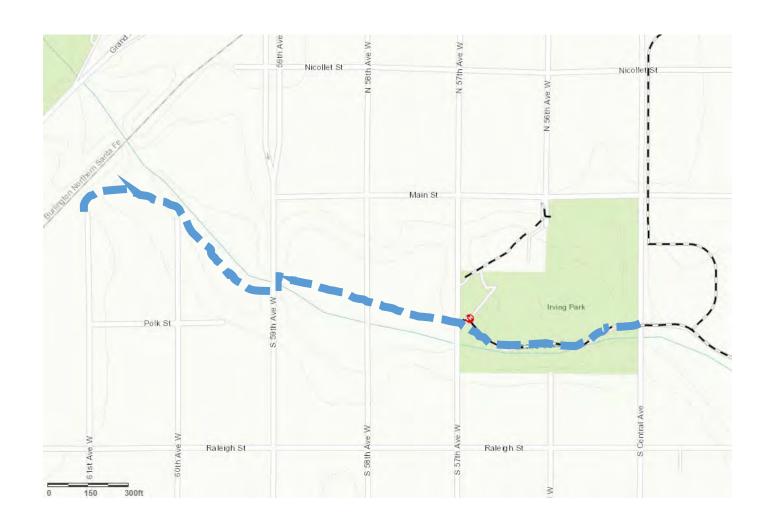

Federal Grant: \$750,000

State Grant: \$300,000

Parks and Recreation Capital Budget: \$63,050

SLRC ½ & ½ Tax: \$218,700

Other City Funding: \$246,000

#### Knowlton Creek Bridge & Snowmobile Trail

Complete abutments for Knowlton Snowmobile Trail bridge and a trail connecting the lower Spirit Chalet to the Cross-City Trail

Total Funding: \$550,200

State Grants: \$391,000

Federal Grant: \$150,000

• SLRC ½ & ½ Tax: \$9,200

#### Park Point Beach Access: Lafayette Community Center

Replace deteriorated boardwalk, providing Architectural Barriers Act (ABA) beach access from Lafayette Community Center parking lot, across Park Point sand dune, to the beach.

Total Funding: \$214,258

Federal Grant: \$108,182

Other City Funds: \$100,000

Parks and Recreation Capital Budget: \$6,076

#### Park Point Beach Access: Park Point Recreation Area

Replace deteriorated boardwalk, providing Architectural Barriers Act (ABA) beach access near the Park Point Recreation Area.

Total Funding: \$383,708

Federal Grant: \$108,000

Other City Funds: \$275,708

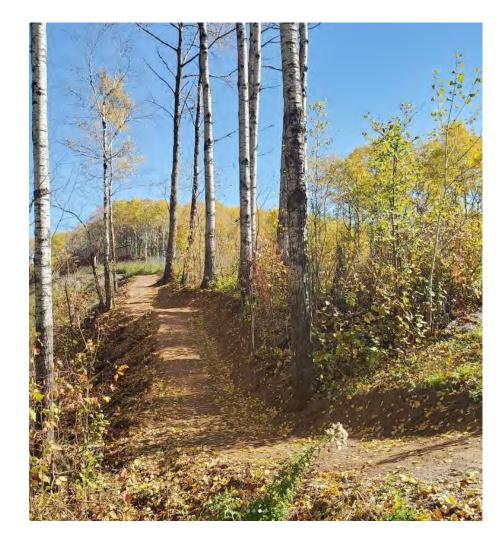

# Other Trail Improvements

Total Funding: \$50,000

Property Acquisition: \$50,000 Parks Fund

#### **Bonding Projects**

Lake Superior Zoo Pre-Design of Main Building: \$204,000

State Bond: \$204,000

Spirit Mountain Recreation Area (SMRA): \$26,000,000

State Bond: \$13,000,000

SMRA Authority Funding: \$6,500,000

Other City Funding: \$6,500,000

Coastal Transportation Infrastructure Rehabilitation

Project: \$10,896,234

Federal Grant: \$8,196,234

Other City Funds: \$2,700,000

# 2024 Parks and Trails Capital Projects Thank you!

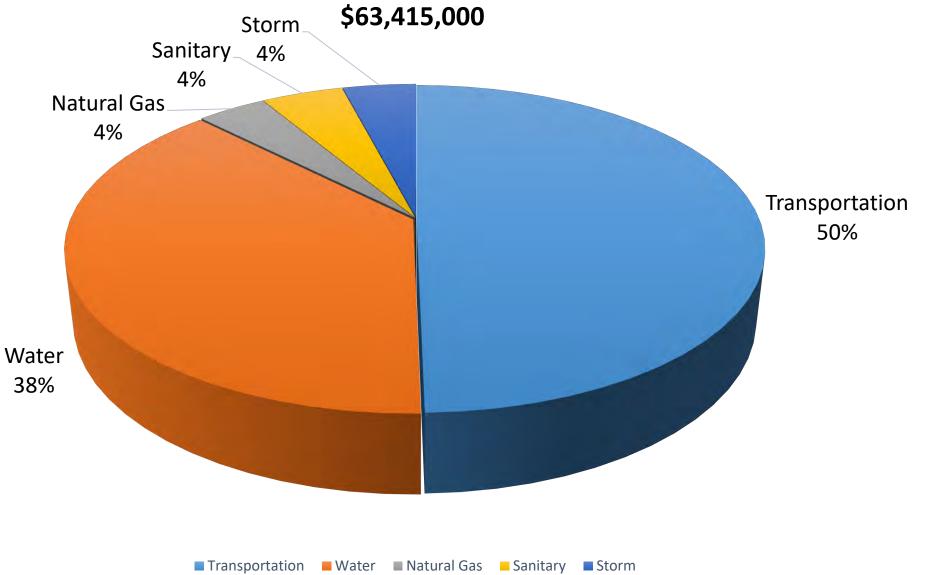

# Public Works & Utilities Capital Investment by Fund

## Public Works & Utilities Capital Project Summary

2024 Capital Projects Public Works & Utilities	Total	Funding Sources
Transportation Total	\$ 31,505,000	
2024 Chip Seals	\$ 300,000	Sales Tax
6th Ave E CPR and overlay- 2nd Street to Copper Top	\$ 2,300,000	State Aid, Sales Tax, Street Lighting
Aerial Lift Bridge Painting and Misc. Structural Repairs	\$ 7,000,000	State Bridge Bond Request
Aerial Lift Bridge Sidewalk, Abutment, and Approach Repairs	\$ 3,000,000	Federal & State Aid
Bardon's Peak Wall project- design phase	\$ 200,000	Street Mtc Levy
Chester Park Dr Alley reconstruction	\$ 535,000	Street Mtc Levy, Utility Revenue
E 7th Street & 13th Ave East storm & street	\$ 300,000	Sales tax
Engineering for Federal 2026 project	\$ 300,000	State Aid
Engineering for NHS Federal 2025 Project, Garfield Ave and Port Terminal Reconditioning	\$ 100,000	State Aid
MNDOT ADA upgrades along I-35 ramps from 68th Ave W. to 26th Ave E. (city match)	\$ 200,000	State Aid
Patch Project	\$ 475,000	Permanent Improvement, Utility Revenue
Raleigh St WM and street reconstruction, 59th Ave W to Grand Ave	\$ 3,970,000	State Aid, Utility Revenue
Retaining/Guard Rail/Restriping/Bridge repair/RR crossings	\$ 200,000	Permanent Improvement
		Street Mtc Levy,
Sidewalk	\$ 120,000	Permanent Improvement
Street Preservation Project 2024: various locations	\$ 11,700,000	Sales Tax
Superior Street Reconstruction - MSA bond payment	\$ 805,000	State Aid

2024 Capital Projects Public Works & Utilities	Total	Funding Sources
Water Total	\$ 24,025,000	
Far East Superior St Reconnections	\$ 300,000	Utility Revenue
Fascia Repairs at Pump Bldg.	\$ 100,000	Utility Revenue

	<b>Grand Total</b>	\$ 63	3,415,000	

<sup>\*\*</sup> Brighton Beach Project held in Parks Capital \$1,651,000\*\*

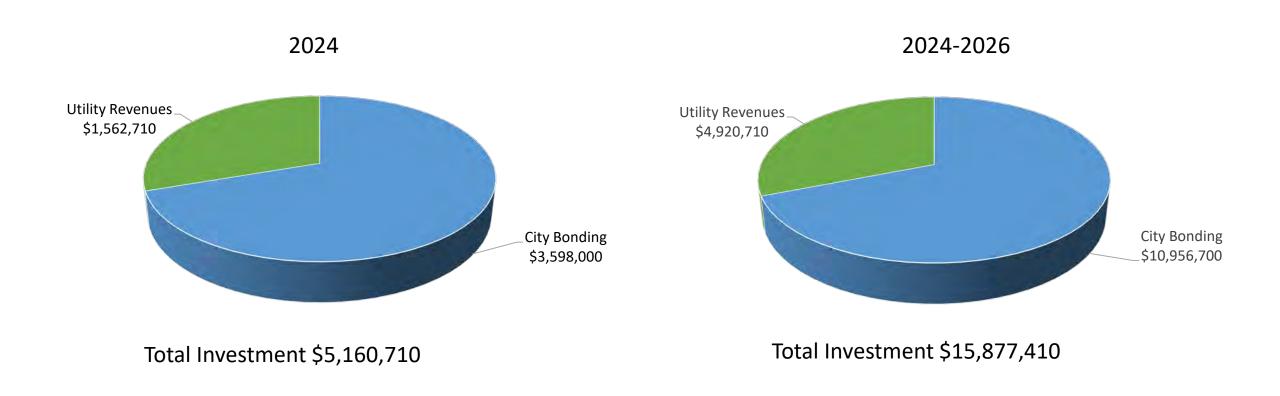

# Capital Equipment Program

Total Investment \$5,160,710

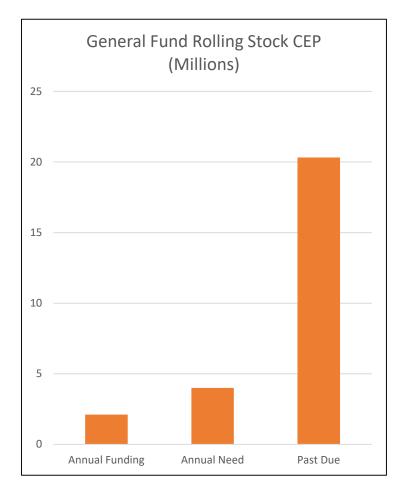

# Capital Equipment Program Funding Plan

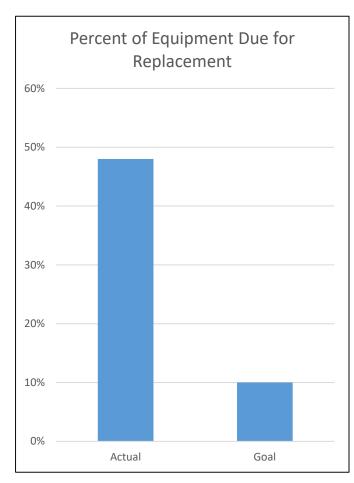

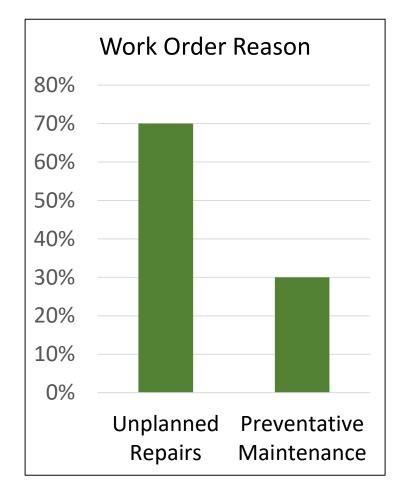

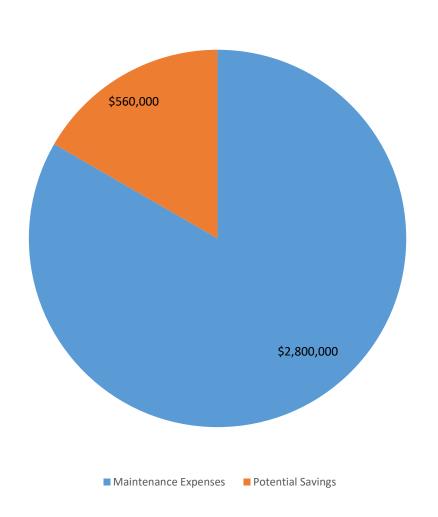

# GF Rolling Stock CEP Background

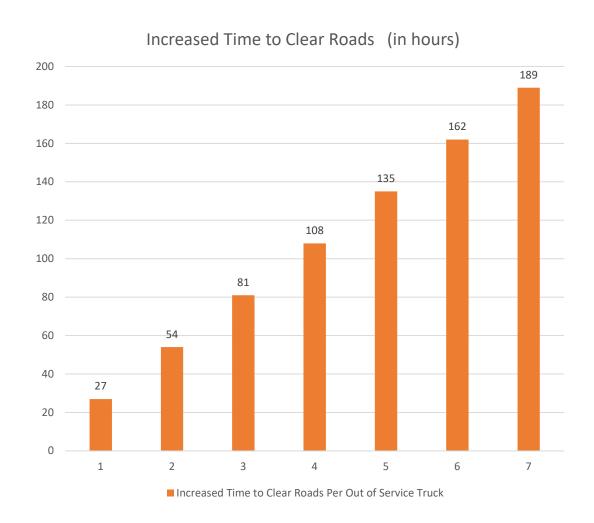

### Effects of Deferred Replacements

#### Time and Cost to Clear Winter Streets

- Newly enforced MS4 Stormwater Permit Chloride Tracking Creates Increased Maintenance Items On Plow Trucks
- Aged Equipment Breakdowns and Mechanical Failures
- Increased Repair Parts Inflation and Availability
- Short Staffing and Qualified Labor Shortage Creating Need For Expanded Sublet Repairs
- Significantly Increased Sublet Parts and Labor Costs

# Rolling Stock Opportunities

- Gradual, consistent increase to rolling stock CEP
- Continue to partner with City of Duluth Sustainability Officer to obtain funding for existing EV fleet growth
- Improve utilization of vehicles
  - Increase sharing of vehicles
  - Reassign or dispose surplus vehicles
  - Prioritize multiuse vehicles and equipment

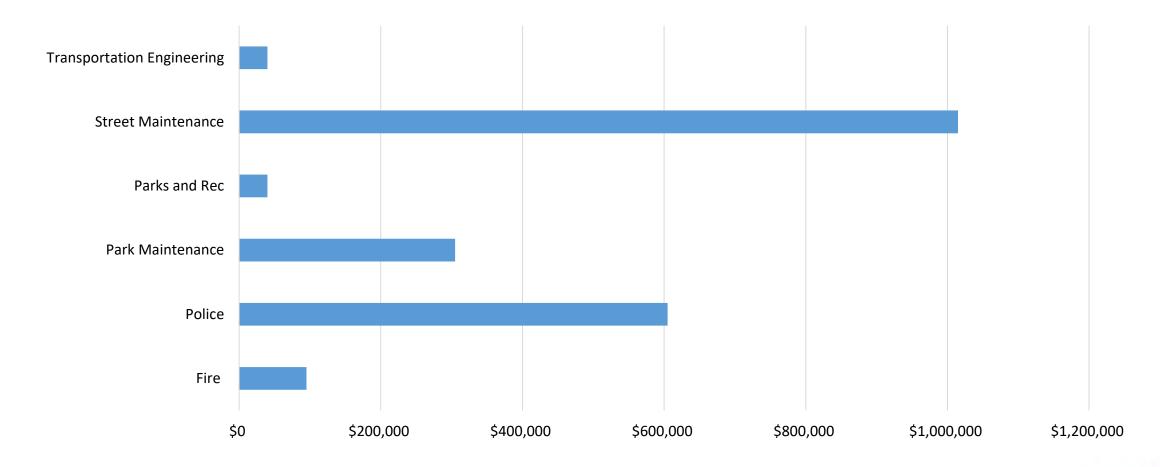

#### Capital Planning Process for Rolling Stock

- Review rolling stock for replacement eligible items and prioritize recommendations.
  - Maintenance and Safety Issues
  - Critical Use Needs
  - Age
  - Mileage

#### 2024 CEP Rolling Stock Bond Funding

<sup>\*\*</sup> Last year increased bond amount to cover Fire Engine + 2023 CARES funding purchase of Fire Engine

### 2024 Planned Replacements

Department	Asset: Year Make Model	Meter	Age, Years	Maint Cost	Budget	Description

Total					\$2,100,000		

### Supply Chain Challenges

- Very short ordering windows
- Extended delivery time
- Canceled orders
- Increasing costs

### 2024 Rolling Stock Replacement Highlights Police Vehicles

### 2024 Rolling Stock Replacement Highlights Streets Plow Trucks

### 2024 Rolling Stock Replacement Highlights PWU Excavator

#### 2024 Rolling Stock Replacement Highlights

Park Maintenance Sidewalk Tractor

# 2024 Rolling Stock Replacement Highlights Comfort Systems Service Vans

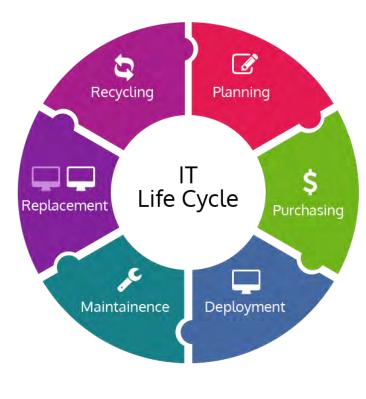

# 2024 Capital Equipment: Non Rolling Stock IT Projects \$1,325,000

\$1,225,000

\$100,000

# 2024 Capital Equipment: Non Rolling Stock IT Life Cycle Projects- \$1,225,000 bond

Life cycle replacements are critical to maintain a functioning and secure environment that is able to keep pace with emerging technologies and the ever changing technology security needs.

These projects consist of the replacement of outdated and obsolete equipment and technology solutions to further automate, improve efficiencies, and communications across the various departments.

Projects included in the Life Cycle category consist of the replacement of computers, public safety emergency radio equipment, network equipment, and the expansion or replacement of existing systems such as the Civil Defense Siren radios in 2024.

# 2024 Capital Equipment: Non Rolling Stock IT Innovation Projects- \$100,000 bond

Innovation projects utilize emerging technologies to improve communications and provide services in the most effective, efficient, and secure manner possible.

Efficiency in local government is critical due to budget tightening and rising citizen expectations.

This funding provides for the implementation of new technology solutions such as a drone that will be used for bridge and water tower inspections.

## 2024 Capital Equipment: Non Rolling Stock Public Safety and Engineering Equipment \$173,000 bond

These funds support the purchase of equipment required to keep Public Safety Staff safe and support emergency response, and Engineering equipment used for locating and recording above ground infrastructure

- Personal Protective Equipment (PPE) includes helmets, gloves, boots, hoods, turnout jacket and turnout pants.
- Rescue Equipment
- GPS Units
