Important parking information

City ordinances govern on street parking yearround. In the winter, it is even more critical that you know when to switch to the even or odd side of the street so that snowplows can clear streets as quickly as possible. The parking calendar is included in this brochure for your convenience.

On street - weekly alternate side parking (year-round)

- Shaded weeks on the calendar (next page) are designated ODD numbered weeks, and motorists should park on the ODD numbered side of streets.
- Unshaded weeks are designated EVEN numbered weeks, and motorists should park on the EVEN numbered side of streets.
- Parking is permitted on both sides of the street <u>only</u> during the change-over period on Sunday evening from 4:00 pm to 8:00 pm.
- 4. This schedule is superseded by on-street signage. (Example: No parking on one side.)
